

Unnamed Position (it depends on *your* abilities)

www.ExpressCorp.com

If you are a star specialist at something, or if you simply have ability in the abstract, we will find a place for you! **We are ALWAYS looking for exceptional individuals to join our team.**

Express is an established manufacturer of identification products and an international leader in the business of producing custom barcode labels for business and industrial environments. Our work is technical in nature. We have Departments of Programming, Web Development, Graphics and Data Management in addition to all the typical areas of business; Sales, Accounting, Procurement, Production, Shipping, etc. Our products are custom built to customer specifications and our customers are businesses located throughout the world.

Requirements:

- Excellent command of language, both spoken and written
- Excellent attention to detail
- Excellent basic math and reasoning skills
- Good spirit and positive enthusiasm
- Energy and hustle
- Eagerness to learn and advance
- Solid computer skills (in whatever your area of interest is)
- Commitment to positive contribution

Is this you? Send us your resume!

Responsibilities will be determined depending upon your abilities and interests.

Send resume and cover letter to HR-Dept@ExpressCorp.com

Job Type: Full-time

We offer a positive work environment, challenging work, growth opportunity and competitive compensation and benefits.

San Diego (Miramar area)
